

Position: Class 1 Driver/Yard Assistant

Agassiz Seed Farm Ltd is a successful seed farm located near Homewood, MB specializing in wheat, oat, soybean, and edible bean seed production for over 45 years. The farm operates as a seed grower, processor, retailer, and warehouse. Agassiz Seed Farm is proud to be family-owned and operated with a farming history of 100 years plus. We are a key Dekalb soybean processing partner and distributor in the province.

We are currently looking for an individual who is self-motivated, reliable, organized, and flexible to fill the position of Class 1 Driver/Yard Assistant. Effective communication, time management, record keeping, and problem-solving skills are required to excel in this position. Preference will be given to individuals with prior experience working in a farm environment, but we are willing to train.

We offer a safe, active, rural lifestyle located near the town of Carman. We have unique benefits for our employees including health and dental plans, and many meals provided during peak seasons. Wage ranges from \$24 to \$30 an hour depending on experience and the opportunity of performance bonuses. Local trucking, you will be home every night.

Responsibilities and Duties Include:

- Delivery of bulk seed as well as van freight to Dekalb customers
- Maintain trucks and trailers, report all issues to management
- Loading and unloading of bulk and palletized freight
- Keeping record and reporting inventory movement to operations manager
- Work in indoor and outdoor environments with the ability to work alone for extended hours of time
- When trucking is not scheduled, the individual will assist with general operations on yard

Requirements:

- Valid Class 1A License
- Must be able to stay on task, be organized, keep records, work well in a team environment, and be able to troubleshoot problems independently
- Physically able (walking, climbing, bending, lifting, working at heights)
- Full-time availability and able to assist on weekends and evenings during peak seasons
